

RED-SERIES

PROFESSIONAL LOUDSPEAKER SYSTEM

RED-5.5 PREMIUM PROFESSIONAL LOUDSPEAKER

The Red – 5.5 has two powerful 5.25” (133 mm) coaxial driver and two 1.34” (34 mm) HF. It is a high-performance, versatile, passive speaker system designed for unmatched sound reinforcement. Featuring a passive crossover, two-way full-range configuration, it is ideal for install market applications, including nightclub and premium home cinema installation. With a ruler-flat response, the cabinet offers uncoloured, transparent sound quality. Crafted from glass fiber reinforced plastic, it is suitable for both installation and portable use. The cabinet's design emphasizes vocal clarity, fidelity, and minimal distortion without compromising transient response, making it adaptable to even the most demanding applications.

Key Highlights

- Premium Unique design glossy finish and Aesthetic Excellence
- Two 5.25” Coaxial driver with 1.34” HF driver
- Designed for Easy Setup and Mounting option available
- 115°(H) x 70°(V) Horn design

RMS Power	200W
Program Power	400W
Peak Power	800W
Sensitivity (1W/1m)	96 dB
Max SPL (Continuous/1m)	121 dB
Max SPL (Peak/1m)	124 dB
Nominal Impedance	4 Ω (typical)
Crossover Mode	Passive, optimized for linearity
Dispersion	115°(H) x 70°(V)
Cabinet Material	Glass Fiber Reinforced Plastic with Car Paint Coating
Size (mm)	200 x 320 x 200mm (H x W x D)
Weight (Kg)/Lbs	9/19.8

Safety Instructions

- When flying speakers, appropriate hardware and techniques must be employed for safely suspending the enclosures.
- All speaker hardware and flying apparatus must be regularly inspected for any visual or mechanical failure.
- Leave adequate distance between speakers and the audience. Refer to your local authority for Health and Safety guidance when using loudspeaker systems.
- The Louis Martin digital controller should only be programmed by an authorized technician. Do not use Louis loudspeaker systems without the correct controller and the program. If a system fails due to incorrect controller use, warranty is void.
- Protect your speakers and electronics from exposure to humidity, water or rain.
- The loudspeakers and electronics are covered against defects in workmanship or materials for a period of two years from the original date of purchase. The warranty does not cover any item which in Louis's opinion has failed due to user abuse, accident, modifications.
- The defective item will be repaired/replaced with no charge for materials or labour. However, the item should be adequately packed and dispatched, pre-paid, to a Louis authorized distributor/service
